Proposed Bylaw Revision

Bylaw changes as proposed and supported by the state and national offices of the Church of God. The added language provides protections against forced use of our facilities for activities contrary to the Bible's teachings. If approved by the Association, the following will be added to Article 2: Section 1:

The facilities of this Association are dedicated to the Lordship of Jesus Christ, the teachings of the Bible, and service to the community. We therefore reserve the right to refuse any person or organization that does not respect or reflect the teachings of Jesus and the Bible concerning marriage, family and sexuality. We believe that the Bible clearly states that marriage is between one man and one woman. Passages from the Bible that we hold as absolute in this area of marriage, family and sexuality are: Genesis 2:20b-24, Leviticus 18:22, Romans 1:24-32, 1 Corinthians 6:9-10. Upon these spiritual/Biblical principles we will lean when making the determination of whether any party can use the Association facilities or grounds.

This proposed bylaw revision will be presented and voted on at 2:00 pm in the June 29, 2016 Informational meeting and at 2:00 pm in the July 13 2016 Annual Business meeting .
